

OTHER SECURITY GUARDING TRAINING COURSES ACCEPTED BY THE BSP*

The mandatory training as per the Regulation regarding the private security guarding training requires to have successfully completed at least 70 hours of training in an institution from **a School service centre which offers a program in private security guarding.**

In accordance with Section 112.1 of the PSA and following the recognition by the Ministry of Public Security of certain guarding training courses other than those stipulated in the Regulation regarding the training that are required, the BSP accepts the following training courses provided that they **are taken and successfully completed from the date on which they have met all the recognition criteria.**
